

# Dear First Years,

*This is how your peers define consent.*

Consent is an enthusiastic yes  
from both partners as well as open  
dialogue. No ~~partner~~ <sup>person</sup> under the  
significant influence of drugs or  
alcohol can give consent

## Consent is enthusiastic.

*IT HAPPENS HERE* (IHH) is a storytelling platform for members of our community who have experienced sexual or relationship violence. IHH also participates in various forms of advocacy and activism to promote sexual & relationship respect.

For more information on this student-led project, please visit [go/IHH](http://go/IHH)
