Hello Toria: Thank you for coming and introducing yourself at the MiddAction Fair last Friday. I would like to meet up with you some time over a cup of coffee and just have an opportunity to get to know you a bit more. I can't stress enough the value of dialogue and trying to understand perspectives of those we may disagree with. I value transparency and would appreciate the chance to discuss the work of the Pregnancy Center here in Middlebury with you, as well as learn from you about your concerns. Let me know if we could find a time to meet. Thank you, [REDACTED]
